FOR IMMEDIATE RELEASE

NORMAL FLIGHT OPERATIONS RESUME AT PIARCO INTERNATIONAL AIRPORT

Airports Authority of Trinidad and Tobago (“the Authority”) wishes to confirm that flight operations resumed at 8:37 a.m. at the Piarco International Airport, after two canines were detected and swiftly removed from the grassy area on the western periphery of the airport.

Upon notification of the incident, the Authority’s standard safety protocols and emergency response procedures were immediately activated and the situation was quickly contained.

To ensure the safety of all aviation operators and stakeholders, there was a temporary pause in all flight operations.

The Authority wishes to advise that flight operations continue as normal and we assure all stakeholders that we remain committed to providing safe and secure aviation operations at the airports in Trinidad and Tobago.
