Airports  
Authority  
OF TRINIDAD AND TOBAGO

## **EXPANSION, MODERNISATION AND IMPROVEMENT OF Public Car Parking Facilities** at the ANR Robinson International Airport

Please be advised that Airports Authority of Trinidad and Tobago ("the Authority") will commence work to expand, modernize and improve public car parking facilities at the ANR Robinson International Airport from **JANUARY 2nd 2018.**

To this end, patrons are kindly asked to remove their vehicles and refrain from parking in the area north of the existing public car park at the Airport.

We sincerely regret any inconvenience caused, but the Authority is making every effort to improve our car parking facilities to better serve all of our stakeholders and valued customers.

The Authority wishes to thank members of the public for your cooperation.
